

IILM UNIVERSITY, GREATER NOIDA

AWS Cloud Virtual Internship

AICTE – EduSkills Virtual Internship Program | Curriculum by AWS Academy

Pushkar Kumar

Roll No. 2410030818 | B.Tech CSE | April – June 2026

ABOUT THE STUDENT

Candidate Profile

Pushkar Kumar

B.Tech – Computer Science
& Engineering

ROLL NUMBER

2410030818

INSTITUTE

IILM University, Greater Noida, U.P.

PROGRAMME

B.Tech CSE, Batch 2024–2028

INTERNSHIP DOMAIN

AWS Cloud

DURATION

8 Weeks | April – June 2026

ABOUT THE PROGRAM

EduSkills, AICTE & AWS Academy

EduSkills Academy is an ISO 9001:2015 and ISO/IEC 20000-1:2018 certified organization working under the theme “Nation Building Through Skills.” It partners with the All India Council for Technical Education (AICTE) to run the AICTE–EduSkills Virtual Internship Program under the patronage of the AICTE National Internship Portal. For the AWS Cloud track, EduSkills collaborates with AWS Academy to deliver an industry-aligned curriculum covering cloud foundations and cloud architecting.

ISO Certified

ISO 9001:2015 & ISO/IEC 20000-1:2018
certified organization.

AICTE Patronage

Run under the AICTE National Internship
Portal.

AWS Academy

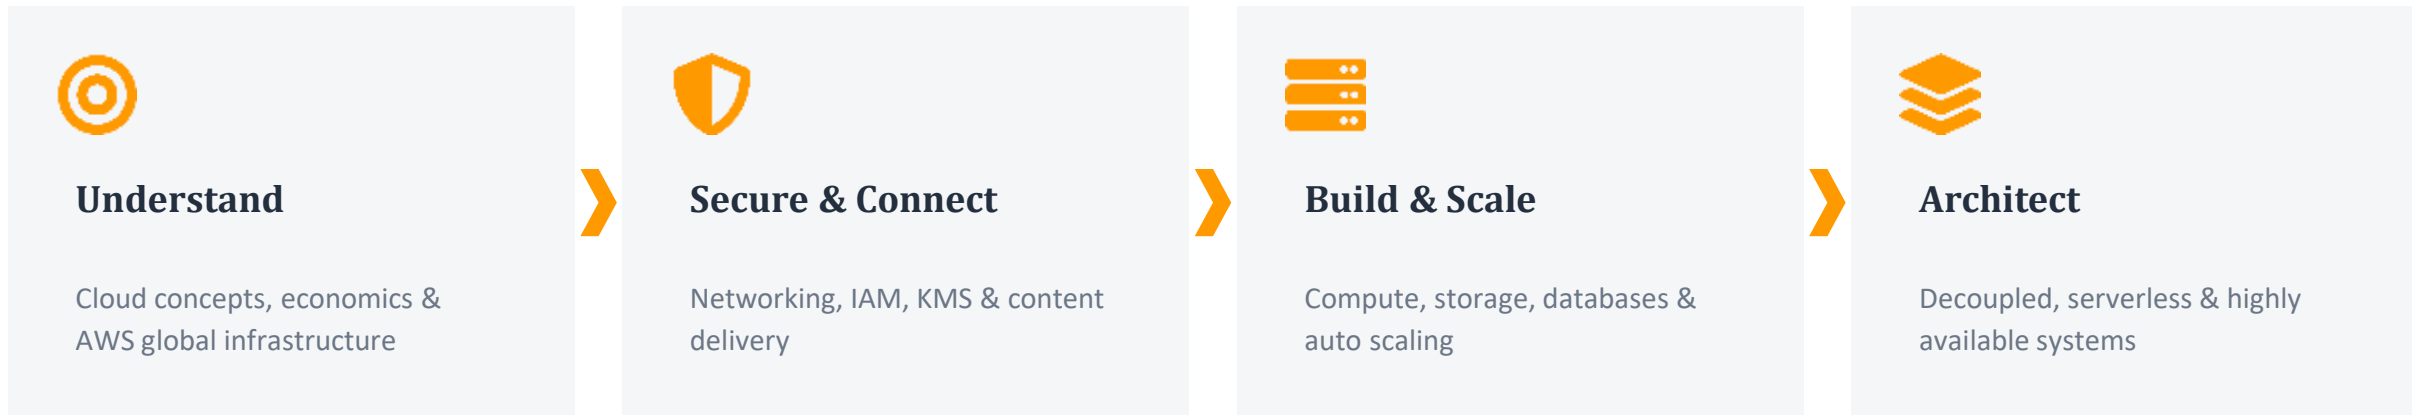

Industry curriculum delivered through AWS
Academy.

PROBLEM STATEMENT

Bridging Theory & Applied Cloud Computing

Although many engineering students learn the theoretical foundations of networks and distributed systems in coursework, very few get structured, hands-on exposure to designing and deploying solutions on an industry-standard cloud platform such as Amazon Web Services (AWS). Concepts such as cloud security, elastic compute, scalable storage, and high availability are often understood only theoretically — with little practice configuring, securing, and monitoring real cloud resources.

This internship addressed that gap — practically learning the full AWS cloud workflow:

What the Internship Set Out to Achieve

Cloud Foundations

Understand cloud concepts, economics, billing & AWS global infrastructure.

Security & Networking

Learn cloud security, networking & content delivery for secure solutions.

Compute & Storage

Gain hands-on knowledge of AWS compute, storage & database services.

Scaling & Monitoring

Implement automatic scaling and monitoring to optimize resources.

Cloud Architecture

Apply IAM security, S3, EC2, RDS, VPC networking & VPC peering.

Serverless & Decoupled

Build decoupled systems with Amazon SQS & serverless AWS Lambda.

The AWS Toolkit Behind the Internship

Amazon EC2

Elastic compute

AWS Lambda

Serverless functions

Amazon S3

Object storage

Amazon RDS

Managed databases

Amazon VPC

Private networking

IAM & KMS

Identity & encryption

Route 53

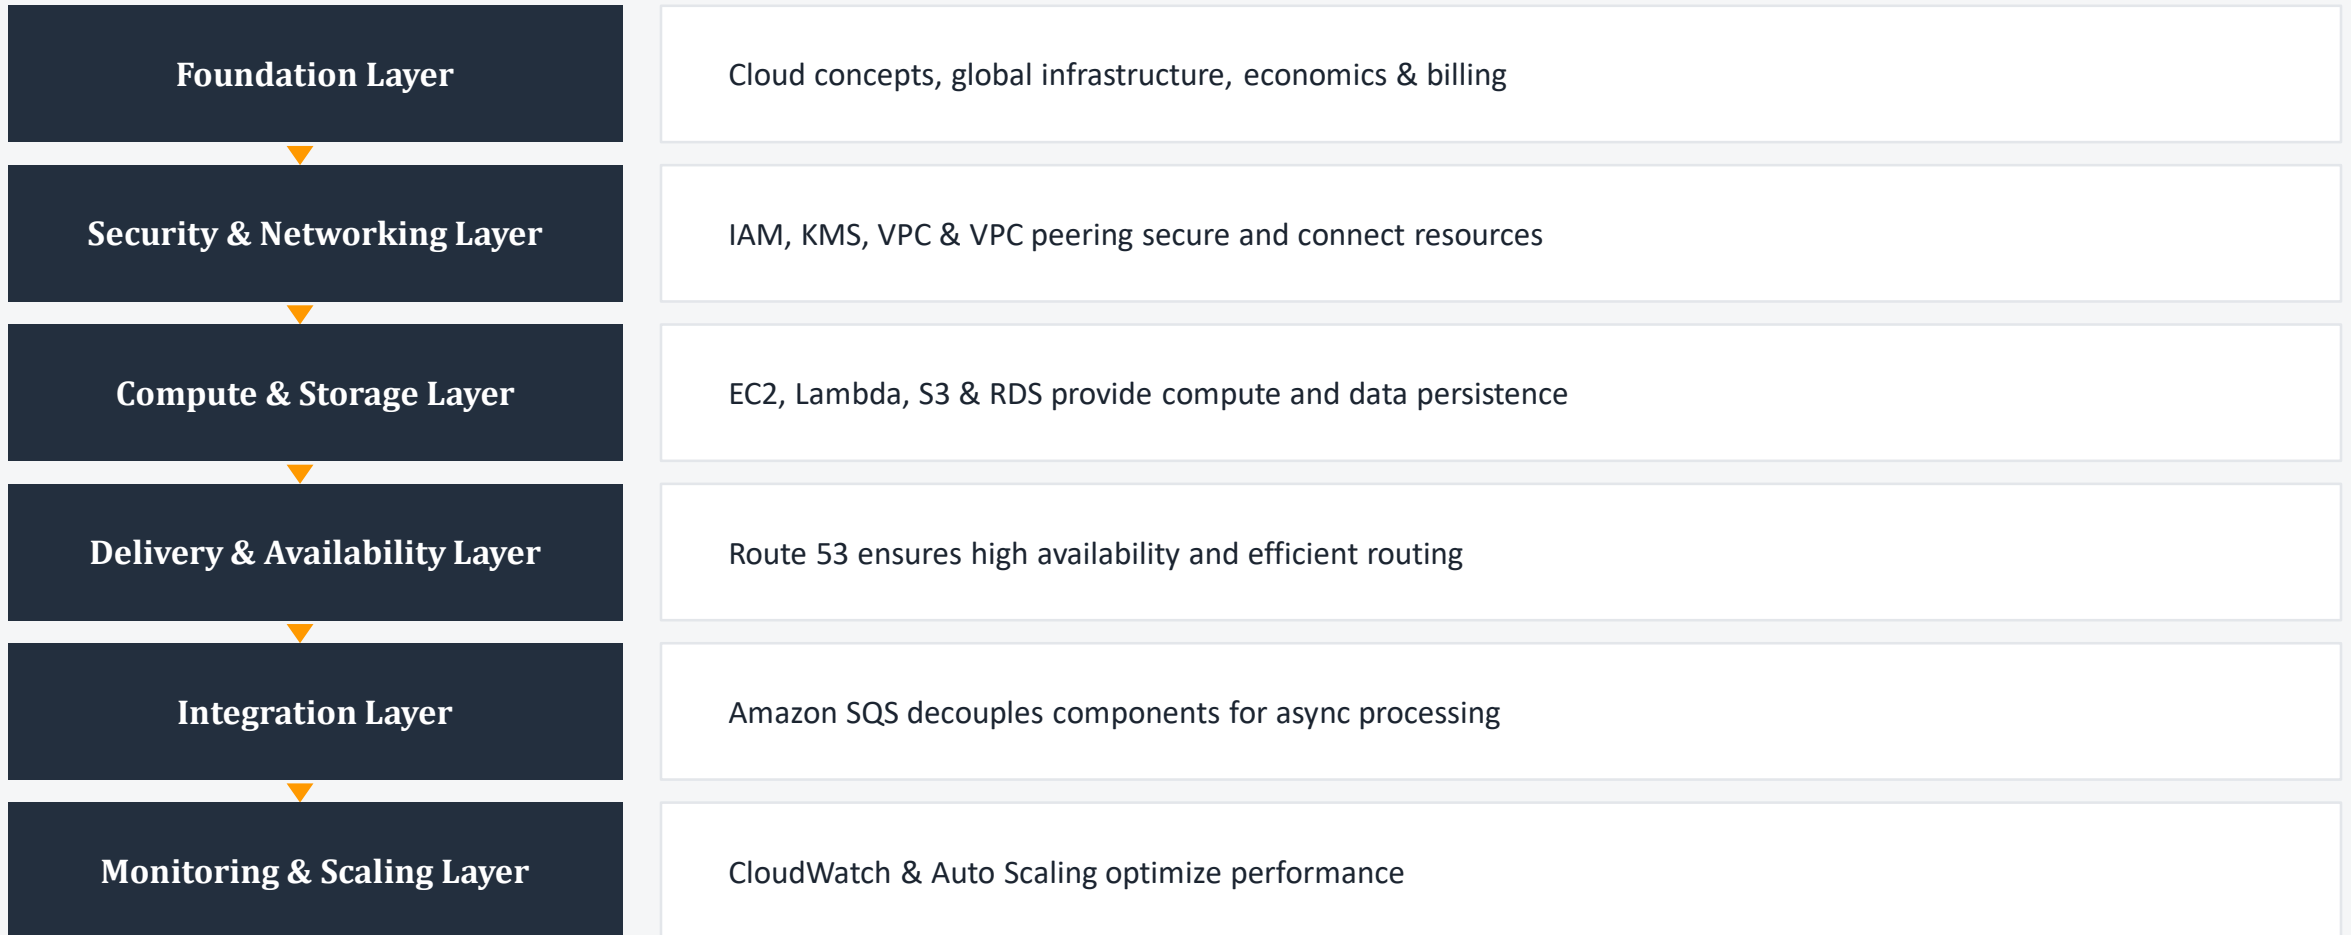

DNS & routing

Amazon SQS

Message queuing

From Foundations to a Deployed Cloud Solution

The 8-Week Learning Journey

WEEK 1	WEEK 2	WEEK 3	WEEK 4
Cloud Foundations Cloud concepts, economics & AWS global infrastructure	Cloud Foundations Cloud security, networking & content delivery	Cloud Foundations AWS compute, storage & database services	Cloud Foundations Automatic scaling & monitoring
WEEK 5	WEEK 6	WEEK 7	WEEK 8
Cloud Architecting IAM security, S3, EC2, RDS, VPC & VPC peering	Cloud Architecting IAM/KMS access, elasticity & HA with EC2 & Route 53	Cloud Architecting Decoupled architectures with SQS & serverless Lambda	Cloud Architecting Data engineering, disaster recovery & certification prep

EXPECTED OUTCOMES

Skills & Capabilities Gained

- ✓ Ability to explain core cloud concepts, economics, and the AWS global infrastructure
- ✓ Practical understanding of cloud security, networking, and content delivery
- ✓ Hands-on exposure to AWS compute, storage, and database services
- ✓ Capability to design scalable, highly available architectures using IAM, S3, EC2, RDS & VPC
- ✓ Skill to secure access using IAM and KMS, and implement monitoring & elasticity
- ✓ Ability to build decoupled, serverless architectures using Amazon SQS & AWS Lambda
- ✓ Awareness of data engineering patterns, disaster recovery planning & AWS certification prep
- ✓ Cleared the Final Credential Validation with an “Outstanding” grade

CERTIFICATION

Successfully Completed

0 – Outstanding

Final Grade

Certificate ID

4652a018169a8ff5a0d3

AICTE Student ID

STU6997f8d8cc4bc1771567320

Offer Letter Ref. No.
